## Who we are

**Langley Riders Society** is a non-profit society here in Langley, BC which has been bringing together horse lovers of all ages and abilities for friendly competition since 1965. Community and family oriented, we pride ourselves on our inclusive, supportive, and fun environment which is welcoming to all.

Our location in south Langley provides a practice and competition facility for LRS members, as well as an available rental venue for other community organizations. Grounds and events are managed and maintained entirely by member volunteers and generous supporters, which enables us to keep our costs affordable.

While Langley has grown up around us for almost 60 years, we have kept our small corner about simple things- dirt, sweat, and lifelong friendships.

**Looking for entertainment?** Most weekend events are free admission, family friendly fun. Jumping and Games are particularly enjoyable. Bring the kids, have a hotdog, and enjoy.
